

Become a sponsor and help Save the Dunes!

We are currently looking for 2016 sponsorships for Jammin with Save the Dunes.

Where we live is so important to us, and the dunes are a big part of that. Save the Dunes has worked since 1952 to protect the Indiana dunes for their natural beauty, rich biodiversity, and public enjoyment. Residents trust us as the strongest regional advocate for the dunes and Lake Michigan.

In order to continue to strengthen our work, it is critical for us to find corporate and business partners. Sponsoring not only helps Save the Dunes, but offers you an opportunity to connect with our thousands of email contacts and social media followers. Staff and board members promote our sponsors at events throughout the entire year, amplifying the audience.

Over the past year, Save the Dunes has used your money to...

- Get bikes on the South Shore Railroad
- Secure funding to conduct a 1,000+ acre ecological restoration of globally-imperiled black oak savanna at Indiana Dunes National Lakeshore and Indiana Dunes State Park
- Complete watershed management plan for the Little Calumet River - East Branch
- Win a critical lawsuit that defends the public's rights to access and enjoy the beachfront along Lake Michigan in Long Beach
- Fund a highly collaborative project to set priorities for protection of dunes biodiversity with regional scientists and land management agencies

Our signature event is **Jammin with Save the Dunes**, which is held in the dunes alongside Lake Michigan at beautiful Washington Park in Michigan City. This is turning into one of the area's largest musical events of the year and is our way of supporting everything local --- from craft beer, to music, to food. This year it will be held on Saturday, June 4.

Please consider joining us this year. Your sponsorship would mean the world. If you have any questions regarding sponsorships, please contact Executive Director Nicole Barker at 219-879-3564 x 122 or nicole@savedunes.org.
